

SOUTH HEREFORDSHIRE DOWSERS

SPRING NEWSLETTER

As I write this it is a lovely spring day. I can hear my husband mowing our very long grass, the bees are out and at last the tulips are out or coming out. About time too!

I'm afraid this Newsletter will be a little short as my time has been taken up with helping the catering for the many visitors (128,000 when I last heard) who have visited the Weeping Window of Poppies at Hereford Cathedral. The poppies remain in Hereford until the end of 29 April, if you haven't seen them yet.

Our committee has been working hard arranging trips for us, details of which I give below.

TRIPS

Goodrich Castle – Wednesday 25 April Meet at the castle at 10.30 am. Entry £7.20 There is a café or picnic lunches could be eaten in the castle grounds.

Lydney Park - Wednesday 30 May Meet at the car park at 11 am. Cost £5. I can recommend the café which sells very good cakes!

Arthur's Stone and Dorstone Castle Wednesday 13 June at 10.30 am Meet at Front Room, a Community Coffee Shop opposite the Pandy Inn in the centre of the village, post code: HR3 6AN. Cars can be parked here and the castle is a five minute walk away.

Arthur's Stone is a ten minutes' drive along narrow lanes.

I suggest we meet at the Front Room coffee shop, visit Arthur's Stone in as few cars as possible as there are only, at most, 3 parking spaces, and then return to Dorstone to visit the castle. Please bring a packed lunch.
