

SOUTH HEREFORDSHIRE DOWSERS

SEPTEMBER NEWSLETTER

Hello Everyone

We had a good turnout for the visit to Trellech last Thursday 27th August. Thankyou to all who came.

We met at The Lion, where we ordered our lunches & used their facilities before venturing forth.

Trellech is a very interesting place indeed, we had a most informative time dowsing the Church, with Glan leading.

Unfortunately, it was a very wet day so further dowsing was abandoned in favour of lunch in the very welcoming pub.

Three intrepid members did brave the storm, after lunch, to dowse Tump Terret, while the rest of us chose to remain dry in the pub.

Another visit to Trellech to dowse Tump Terret, Harold's Standing Stones & St. Anne's Well is being organised for **Tuesday 8th September, meeting at The Lion at 10am.**

Please let David know, by email at secretary@shd.org.uk ASAP & no later than Friday 4th September if you would like to join us & if you would like to order lunch at The Lion.

For details about Trellech, please refer to the SHD August 2020 Newsletter on our website www.shd.btck.co.uk

Our Thanks must go to Jackie, David & Glan for organising these visits & keeping the Club alive.

We are very much looking forward to meeting in Trellech again & do hope you can join us.

Happy Dowsing

Barbara
